Ananda Mohan Paul

paul.mohon97@gmail.com | Chattogram, Bangladesh

RESEARCH INTERESTS

- **Trustworthy Artificial Intelligence:** Designing AI systems that are reliable, fair, and robust, with a focus on transparency, accountability, and safe deployment. Includes safe and secure Large Language Models (LLMs) with factuality, controllability, and ethical behavior.
- **AI Security:** Developing defenses against adversarial attacks, vulnerabilities in AI models, and threats in large-scale AI systems, focusing on robustness and safe operation.
- **Reinforcement Learning (RL) for AI Safety:** Applying RL to adaptive decision-making, human-AI interaction, and safe behavior under uncertain or adversarial conditions.
- **Mathematical and Formal Approaches in AI:** Using optimization, formal verification, probabilistic modeling, and game-theoretic reasoning to support reliable, secure, and robust AI behavior.

EDUCATION

BGC Trust University Bangladesh, Chattogram *Jan 2017 – Dec 2020*

B.Sc. in Computer Science and Engineering | CGPA: 3.73 / 4.00

- Ranked 3rd among all students of the CSE department (2017–2020)
- Merit-based scholarship recipient

PUBLICATIONS

R. K. Pathan, M. A. Uddin, **A. M. Paul**, M. I. Uddin, Z. Y. Hamd, H. Aljuaid, M. U. Khandaker. "Monkeypox genome mutation analysis using a time-series model based on long short-term memory." *PLOS ONE*, 2023. https://doi.org/10.1371/journal.pone.0290045

TECHNICAL SKILLS

Programming	C, C++, Java, Python, SQL, R (intermediate)
ML Libraries	PyTorch, TensorFlow, Scikit-learn, Pandas, Gymnasium (OpenAI Gym)
Tools	Git, Jupyter Notebook, VS Code, Wireshark, Metasploit
Mathematics	Linear algebra, calculus, probability and statistics

EXPERIENCE

Private Tutor — Physics, Mathematics and ICT *May 2023 – Present*

Self-employed, Chattogram, Bangladesh

- Teach physics, mathematics, and ICT to secondary and higher-secondary students.

PING-BD *Mar 2022 – May 2023*

System Engineer, Service Operation Center, Chattogram, Bangladesh

- Monitored and troubleshot network performance.
- Implemented network upgrades and enhancements.
- Maintained and configured network equipment.

Patiya Online Ltd. *Jun 2021 – Jan 2022*

System Engineer (Intern), Chattogram, Bangladesh

- Worked in the Operations and Maintenance team on fiber optical networking.
- Configured different types of networking devices.

HONORS AND AWARDS

- Merit-based scholarship, BGC Trust University Bangladesh
- 1st Runner-up, Intra-University Programming Contest, BGCTUB *2019*
- 2nd Runner-up, Intra-University Programming Contest, BGCTUB *2017*
- 3rd position among all CSE students, BGC Trust University Bangladesh *2017–2020*

LEADERSHIP AND VOLUNTEERING

- Program and Event Secretary, Allied Computer Stream, BGC Trust University Bangladesh
- Vice President, BGCTUB-CSE Cultural Club
- Volunteer, Regional Programming Camp 2017 (BGC Trust University Bangladesh and Bangladesh Computer Council)

TEST SCORES

IELTS (16 Nov 2024): Overall 6.5 | Listening 7.5, Reading 6.5, Writing 6.0, Speaking 5.5
